

Women 16 years and older:
Whether you are new to the parishes or long-time members
the CWL invites you to join us!

- The Catholic Women's League of Canada is the largest women's organization in Canada.
- Becoming a member provides a great opportunity to meet some new people and to get involved at various levels.
- Our meetings provide fellowship and spiritual development.
- Being a member does not require a huge commitment. We meet once a month. If you can't make meetings perhaps you would like to help out with the various events we run. You do only what you feel you can.

Speaker night

Visit Shut-ins

Warm Sock Project
