

## What is SEARCH?

SEARCH is a weekend experience for youth age **15-18** to gather together to form an intense, joy-filled Christian community. All denominations are welcome to attend, although SEARCH follows the teachings of the Catholic Church. SEARCH is not a means for conversion to Catholicism but rather an opportunity to encounter Christ, and a build a community of believers.

SEARCH weekend provides an environment where a youth's search for meaning and purpose in life is explored through prayer, talks and fun activities.
